

R3HAB & ZAYN & Jungleboi, Flames

well, well
you better run from me
you better hit the road
you better up and leave
don't get too close

cause I am a rolling stone
and I keep rolling on
you better run from me
before I take your soul

if I go
let me go
don't you follow me
let me go
I will let you down
let me go
even if your heart can't take it
light me up in Flames
light me up in

light me up
light me up
light me up

you better run from me
you better say goodbye
and even if I plead
don't waste your time

cause I'm a broken home
you're better off alone
you better run from me
before I take your soul

if I go
let me go
don't you follow me
let me go
I will let you down
let me go
even if your heart can't take it
light me up in Flames
light me up in

light me up
light me up
light me up
