

R5, Love Me Like That

Whoo

I wake up and my hair's a mess
When I'm too lazy to get, to get dressed
Yeah

I love the way you love me
cause you love me like that
I love the way you love me
cause you love me like that

I never took my driving test
So everyday you take me, take me to class
Yeah

I love the way you love me
cause you love me like that
I love the way you love me
cause you love me like that

I'm a prima donna
Somehow you still wanna
Give me everything I want
Yeah

I might be a diva
Give me what I needa
We can party all night long

I love the way you,
Love the way you love me, yeah
(I love the way you love me, love the way you love me)
Love the way you,
Love the way you love me, yeah
(I love the way you love me, love the way you love me)

Blah, blah, blah, blah, blah, blah

I don't have to say nothing de nada
I love the way you love me
cause you love me like that
I love the way you love me
cause you love me like that

I ate all the candy in your pinata
You don't even know the way I say banana.
I love the way you love me
cause you love me like that
I love the way you love me
cause you love me like that

I'm a prima donna
Somehow you still wanna
Give me everything I want
Yeah

I might be a diva
Give me what I needa
We can party all night long

I love the way you,
Love the way you love me, yeah
(I love the way you love me, love the way you love me)
Love the way you,
Love the way you love me, yeah
(I love the way you love me, love the way you love me)

You love me even when I call you up

Middle of the night just to wake you up
Nothing on my mind but
how we're so in love?

I love the way you,
Love the way you love me, yeah
(I love the way you love me, love the way you love me)
Love the way you,
Love the way you love me, yeah
(I love the way you love me, love the way you love me)

(Na na na na na)
I love the way you love me
(Na na na na na)
I said love the way you love me
(Na na na na na)
I love the way you love me
(Na na na na na)
I said love the way you love me
