

# Ra, Superman

Thank you God  
For this great opportunity  
To Share with you exactly how I feel  
I'm not well  
And I Think that I should tell you  
That I got the raw end of the deal  
Don't get me wrong  
'Cause it's not like I blame you  
But sometimes things get crazy on their own  
I'm ashamed  
Of the way I point my finger  
'Cause deep down I have reaped what I have sown

Life is hard  
But so is everything  
Give my regards to a man who cares  
If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare

Such is life, Lord  
And I know that you're aware  
That you're a drug to me  
A drug, within my fear  
But, I Love you  
A junkie to your silence  
A wise man who's words, I'll never hear  
What to do  
I feel as if I'm floating  
Not aware or in control of what I am  
God bless me  
Take me out of this existence  
End my role as the sacrificial lamb

Life is hard  
But so is everything  
Give my regards to a man who cares  
If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare

...I'll just stand and stare...

Life is hard  
But so is everything  
Give my regards to a man who cares  
If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare

Life is hard  
But so is everything  
Give my regards to a man who cares  
If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare

...I'll just stand and stare...
