Rachael Lampa, Blessed

I may never climb a mountain So I can see the world from there I may never ride the waves And taste the salty ocean air Or build a bridge That would last a hundred years But no matter where the road leads One thing is always clear I am blessed I am blessed From when I rise up in the morning Til I lay my head to rest I feel You near me You soothe me when I'm weary Oh Lord, for all the worst and all the best I am blessed All along the road less traveled I have crawled and I have run I have wandered through the wind and rain Until I found the sun The watching eyes ask me why I walk this narrow way I will gladly give the reason For the hope I have today repeat chorus You've given me joy You've given me love You give me strength When I want to give up You came from heaven To rescue my soul This is the reason I know, I know repeat chorus
