

Rachael Lampa, I'm All Yours

Yeah) People have been talking
About what I should do.
But I just cant listen,
I keep in tune to You.
But Im not gonna fall;
Im giving it all to You, my Lord.
Im not gonna fall
Im giving it all to You...
If I fix my eyes on You,
Will You show me what to do?
Ill lay down my sorrows,
Im all Yours. (Oh, ooh, yeah, yeah)
If I could make the world
Fade away for just a moment
To be (to be) alone with You (with You)...
Too many voices,
Too many noises,
Too many choices...
Why cant it be just You and me?
But Im not gonna fall;
Im giving it all to You, my Lord.
Im not gonna fall,
Im giving it all to You, oh yeah...
If I fix my eyes on You,
Will You show me what to do?
Ill lay down my sorrows....
All that I can see is that theyre looking at me,
But all Ive ever wanted was for You to be
The only Thing that matters in my life to me.
But Lord, You know, You know, You know.
Standing in the midst of the crowd, I cry out loud.
Gonna give it all, Ill be living it out loud.
You are the King and the light in my eyes.
You already know Im reaching for the prize He gave!
If I fix my eyes on You
Will You show me what to do? (oh, oh)
Ill lay down (Ill lay down) my sorrows,
Im all, Im all Yours, Im all Yours!
If I fix my eyes on You
Will You show me what to do? (oh, oh)
(Ill) lay down my sorrows,
(Im all) Yours (thats right)...
Im not gonna fall,
Im giving it all...
Im not gonna fall,
Im giving it all, yeah, oh-woah...
Im not gonna fall,
Im giving it all, woah, yeah...
Im not gonna fall,
Im giving it all, oh yeah, oh yeah, oh yeah.
