

# Rachael Lampa, Outrageous

You're painting a picture of what you would prefer  
Of what you would want to see come out of your life  
But every now and then you gotta open up your eyes  
It's all running together taking forever  
And I know just what the feeling is like  
But you can't just let it all pass you by oh

WANNA SEE YA IN YOUR MOST OUTRAGEOUS STYLE  
WANNA SEE YA IN YOUR MOST COURAGEOUS SMILE  
LIVE IT LOVE IT OH YOU KNOW YOU WANNA TRY  
HEY-IT'S YOUR LIFE  
YOU'VE GOT THE LOVE  
YOU'VE GOT THE LORD  
YOU'VE GOT TO HOLD ON TO IT  
UH UH UH UH UH HEY-IT'S YOUR LIFE

Run away to your own beat  
Trip over your own feet  
At least you know you might be finding your way  
And you're closer than you were back in the day ohh

REPEAT CHORUS

Ooh looking for answers  
Life is a dancer  
It's gonna ask you questions you may not ever know  
And all you gotta do is just let it go

REPEAT CHORUS
