

# Rachael Sage, 93 Maidens

I am a maiden - one of 93  
But I won't die the least mysteriously  
I go to school in the town of Warsaw  
Today they came for us all

I am a girl they are not men  
I am a woman but don't know it yet  
I have a brother don't know his name  
He was born in the barracks in shame

Mama where are you?  
where have you gone?  
I need you with me  
To drink the poison  
For I'm nobody's martyr  
Only your daughter  
I'll meet you when I reach heaven

One of them spoke  
With a terrible voice  
He said, Make yourselves beautiful,  
You have no choice. We'll come for your  
Refineries soon, but tomorrow  
We'll blacken your noon.

Mama where are you?  
where have you gone?  
I need you with me  
To drink the poison  
For I'm nobody's martyr  
Only your daughter  
I'll meet you when I reach heaven

Blessed art Thou, Lord our God  
King of the Universe  
There I must stop  
What is the blessing of taking our lives  
So we won't become our enemies' wives  
Blessed art Thou, Lord our God  
King of the Universe  
There I must stop  
What is the blessing of taking our lives  
So we won't become our enemies' wives

Mama where are you?  
where have you gone?  
I need you with me  
To drink the poison  
For I'm nobody's martyr  
Only your daughter  
I'll meet you when I reach  
Meet you when I reach

Mama where are you?  
where have you gone?  
I need you with me  
To drink the poison  
For I'm nobody's martyr  
Only your daughter  
I'll meet you when I reach heaven  
I'll meet you when I reach heaven
