

# Rachael Yamagata, Little Life

When all of this makes the news  
Will they remember to tell it right  
Or will devils make off in the night  
Can you tell me why a god so high has us fight

As she lays in bed in her piece of ground  
Will they remember her blessed soul  
Or just that she lost all control  
Can you tell me why she had to die alone

People wake up  
People get moving  
There's a life waiting here  
Wake up  
People get doing  
There's a life waiting here

When all our time is spent away  
Will we remember the loves of our past  
Or just that love never lasts  
Can you tell me why  
This little life  
Goes so fast
