

# Rachael Yamagata, Meet Me By The Water

Would you please meet me by the water, baby  
We'll have a really good time  
Would you please meet me by the water, baby  
'Cause I can't get you off of my mind

I've been thinking everyday about you  
Don't fit anywhere into my life, but that's okay  
'Cause I think I might be right for you  
And because of that, I'm not scared at all  
And everyone says I'm crazy  
And everyone says I'm a fool  
Would you meet me by the water tonight  
'Cause I'm ready to break all the rules

Please don't leave me standing  
With my heart in my hand  
I can't last here  
I'm breaking down,  
And no one understands why I got here  
But I knew from the very first moment  
That I met you  
You'd be the one

Would you meet me by the water tonight  
Would you please fall asleep  
Holding my hand  
'Cause I've got everything in store for you, baby  
If you'll be my man
