

Rachel Fuller, Pleasure Seeker

I am
Falling
Slowly
Into
Something
Safe

You are
Trying to
Hold me
But I won't
Stay in place

And I wanna be a little unkind
Don't wanna call you ever on time
I wanna feel
Slightly unreal
Don't wanna be free

I am
Seeking
Pleasure
Purely
For
The thrill

And I wanna walk into the dark
With nothing to hold
The adrenaline starts
The deeper I go
The faster it flows

I am alive
I am on fire
I'm on a high
But I'm still seeking
???
I am alive
I am on fire
I'll be so high that I will fly right through you
I will fly right through you

I am
Failing
To be
True to
My own
Need

If I
Wander
Slowly
And if I
Let you
Leave

'Cause I wanna fly into the sea
With nothing between
The water and me
I wanna dive until I can feel

I am alive
I am on fire
I'm on a high

But I'm still seeking
???
I am alive
I am on fire
I'll be so high that I will fly right through you
I will fly right through you
I will fly right through you
I will fly right through you

I am alive
I am on fire
I'm on a high
But I'm still seeking
???
I am alive
I am on fire
I'll be so high that I will fly right through you
I will fly right through you
I will fly right through you
I will fly right through you
