

Rachel Stamp, Calling All Destroyers

Walking wild at midnight
Breathing like a panther
Holding hands with my love
Dancing like a master
Calling all destroyers

Shadow beach burgundy
Get you high as lightning
Driving in your Porsche coupe
Don't marry Fanny Frightening

Calling all destroyers

Walking wild at midnight
Breathing like a panther
Holding hands with my girl
Dancing like a master

Mixing with the moon maids
Melting with a zip gun
King Kong, bang a gong
All around your boudoir

Calling all destroyers
Destroy
