

# Rachel Wedeward, Take My Breath Away

Chorus: Take my breath away  
help me survive all my pain  
make me yours  
forever and ever

Bridge: My old love hurt me so hard  
felt scared wanted to run run far from him  
(take my breath away)  
my life started to get glim  
until you came along  
(take my breath away)  
now I want you to stay

chorus

1st Verse: the love that we have can never be seperated  
(take my breath away)  
your the the greatest love that I ever had  
I was once sad  
now you've made me glad  
like a real woman should  
(take my breath away)

bridge  
chorus

2nd Verse: Once heartbroken  
then a voice spoke inside my head  
now my choice is you  
please stay with me  
(ooo ooo)
