

Rachelle Ann Go, Love Of My Life

Oooooohhhh...

Love of my life
destined forever
I will be right here by your side
no falling tears
when where together
you know the joy you bring to me
there'll be no other
will share as lovers
right from the heart
from my mind to your soul
I will give it
to you girl
my every little things
that I'm morethan willing
I will give to you
Forever starts from now
I promise you
loving you is all that I can
do...
no one can take it away
from me nobody...
but you...

ooooohhhh....

now is the time
stars with big bright
our bodies will groove all through the night
come take my hand
then we'll fly...
come on baby

we'll share as lovers
right from the heart
from my mind to your soul

I will give to you...
forever starts from now
I promise you...
loving you is all that I can do...
no one can take it away
from me nobody...

There'll be no time
for us to say goodbye
without you here
