

# Rackets And Drapes, Kill Your Self

For you to live  
You must die  
Now's the time  
To take your life

Say good-bye  
To your ties  
Come and try  
Suicide

Kill your self  
Dead man walking  
Kill your self  
Dead man walking

Misery loves company  
Hanging tree  
Eternity  
Embrace you

Not in kool-aid  
Or outer space  
To be saved  
Is in your faith

Kill your self  
Dead man walking  
Kill your self  
Dead man walking

Kill your self  
Dead man walking  
Kill your self  
Dead man walking

Kill your self  
Dead man walking  
Kill your self  
Dead man walking

Kill your self  
Dead man walking  
Kill your self  
Dead man walking

Kill your self  
Dead man walking  
Kill your self  
Dead man walking
