

# Rackets & Drapes, Ball And Chain

You toss me aside  
You throw me away  
In the garbage can  
Is where I will play  
They said everyday  
They took 'em away  
They said I'm not for you

Listen closely  
To my pain  
Mommy, Daddy  
Am I a ball and chain

When you were a child  
They called you a whore  
So you did not want me anymore  
They said your too young  
And I'm in the way  
They said I'm not for you

Listen closely  
To my pain  
Mommy, Daddy  
Am I a ball and chain
