

# Rackets & Drapes, God Bless The Children Of Th

we are madness  
found in lunacy  
we are sadness  
lost in misery

we are darkness  
of obscurity  
we are outcasts  
no one wants to see

we stand alone

god bless the children of the damned  
god bless, god bless

we are sickness  
spreading our disease  
we are vampires  
cut ourselves to bleed

we stand alone

god bless the children of the damned  
god bless, god bless
