

# Rackets & Drapes, Kill Your Self

Being belittled  
You must die  
Now's the time  
To take your life

Say goodbye  
To your ties  
Come and try  
Suicide

KILL... YOUR... SELF...  
Dead man walking (x2)

Misery  
Loves company  
Hanging tree  
Eternity  
(kill yourself...)

Not a colipse  
Or outer space  
To be sane  
Is in your fate

KILL... YOUR... SELF...  
Dead man walking (x2)

Dead man walking...

KILL... YOURSELF...  
Dead man walking (x8)
