

# Rackets & Drapes, Medicine Head

You know when I grow up...  
I want to be a junkie...

I'm just a prisoner  
Locked in a cell  
Can someone save me  
I am in hell

Look inside my medicine head (x2)  
Get inside my medicine head (x2)

Won't someone kill me  
I want to die  
I can't find freedom  
In suicide

Look inside my medicine head (x2)  
Get inside my medicine head (x2)

Look inside my medicine head (x2)  
Get inside my medicine head (x2)
