Rackets & Drapes, Trick Or Treat

On the streets at night Not a pretty sigh On the corners of America Since when does love have a price

Your flesh is meat For dog's in heat On the TV's of America Is what the children see

Come and play (x4) TRICK OR TREAT (x3)

This is Hollywood In your neighborhood Spreading al over America It's like a disease

Like diamons that rust Love has turned to lust On the talk shows of America You become a glamour queen

Come and play (x4) TRICK OR TREAT (x3)

Come and play (x3) Come and...
