

# Rad Kick, Vamp

Vamp

It was no love  
Just simple pleasure  
I really tried hard  
To be unfaithful - without success  
Don't think it was easy for me, baby

I was alone that night  
Try to forgive me  
I'm not strong enough to fight  
Don't call me Vamp  
'cause I'm an infirm woman  
Crying over spilt milk can't put back the time
