

# Radakka, Cult of One

You think you know me  
You think you own me  
But I don't really care if you think at all

Young girls adore me  
They just want to hold me  
And pray that they have enough to give

I am emotion  
A step past erosion  
As my shore slowly fades and begins to deplete

Never mind the time I've wasted  
Until I find myself again  
Never mind the lies you're facing

Cult of one I'm a cult of one  
And I close I close my eyes close my eyes  
Cult of one I'm a cult of one  
And I close my eyes  
To you

I can't deny it  
I won't deny it  
I can't seem to slip away from me

Never mind the time I've wasted  
Until I find myself again  
Never mind the lies you're facing

Cult of one I'm a cult of one  
And I close I close my eyes close my eyes  
Cult of one I'm a cult of one  
And I close my eyes

I don't even know myself  
Can't control myself  
Anymore
