Radical Noise, Color Of Hate

Once they've fought against it, now they serve it hot for you THe game; divide and conquer, that's the fuckin' rule and the order of the landlords is proudly appr Today the age of civilisation; " keep the stranger out", this is a bio-ethnic opposition bas I see it everyday "the ethics of dismay". It's the mutual existence of hatred breeds our w We're socially adored, can't you see, we're grouped Define the level of your culture then you'll be honoured

Is it the stranger inside you hates everyone Who are you to tell me where to belong? Never surrender to the COLOR OF HATE
