

# Radio Head, (Nice Dream)

They love me like I was a brother  
They protect me, listen to me  
They dug me my very own garden  
Gave me sunshine, made me happy

Nice dream, nice dream  
Nice dream

I call up my friend, the good angel  
But she's out with her answerphone  
She says she would love to come help but  
The sea would electrocute us all

Nice dream, nice dream  
Nice dream, nice dream  
Nice dream, nice dream  
Nice dream

If you think that you're strong enough  
If you think you belong enough  
If you think that you're strong enough  
If you think you belong enough

[Just as well Just as well Just as well]

Nice dream, nice dream  
Nice dream, nice dream
