Radiohead, A Reminder

If I get old I will not give in But if I do Remind me of this

Remind me that Once I was free Once I was cool Once I was me

And if I sat down and crossed my arms Hold me until this song

Knock me out Smash out my brains If I take the chair and start to talk shit

If I get old remind me of this That night we kissed and I really meant it Whatever happens if we're still speaking Pick up the phone Play me this song
