

# Radiohead, Amnesiac Morning Bell

Morning bell  
Morning bell  
Light another candle  
Release me  
Release me  
You can keep the furniture  
A bump on the head  
Coming down the chimney  
Release me  
Release me  
Yeah..  
Release me  
Release me  
Where'd you park the car?  
Where'd you park the car?  
Clothes are all over the furniture  
And I might as well  
I might as well  
Sleepy jack the fire drill  
Run around around around around around..  
Cut the kids in half  
Cut the kids in half  
Cut the kids in half
