Radiohead, Bangers N' Mash

You bit me, bit me, oh You bit me, bit me, and now I want more I'm standing in the hall Im puking on the wall It's all been sent to the conger hall

The Bangers and the mash The negatives for cash You're either in the club, baby or you're not

Whatever turns you on Whatever gets you off Chief of police, or vice-chancellor Lord and Lady Blah Blah the vicar and the judge You're dancing to my little red book

Because you bit me, bit me, bit me, oh I've got the poison, poison And I want more

If you are on the top
Then it is a long drop
The pyramid is power
We're changing by the hour
If you are on the top
Then it is a long drop
If you stare into the dark,
The dark will stare back
Back into your soul

I'm taking you down
I'm standing in the hall
Im puking on the wall Ya
Because you bit me, bit me, bit me, oh
The poison, I got the poison
I got the poison oh
Ya I've got the poison
