

# Radiohead, Thinking About You (EP Version)

Been thinking about you, your records are here  
Your eyes are on my wall, your teeth are over there  
But I'm still no one and you're now a star  
What do you care?

Been thinking about you and there's no rest  
Shit I still love you, still see you in bed  
But I'm playing with myself and what do you care  
When the other men are far, far better

All the things you've got  
All the things you need  
Who bought you cigarettes?  
Who bribed the company to come and see you honey?

I've been thinking about you, so how can you sleep?  
These people aren't your friends, they're paid to kiss your feet  
They don't know what I know and why should you care  
When I'm not there

Been thinking about you and there's no rest  
Should I still love you, still see you in bed?  
But I'm playing with myself and what do you care  
When I'm not there

All the things you've got  
She'll never need  
All the things you've got  
I've bled and I bleed to please you

Been thinking about you
