

# Radiohead, Vegetable

I never wanted anything but this  
I tried hard, worked hard  
I ran around in domestic bliss  
I fought hard, died hard

Everytime you're running over me  
Everytime you're running I can see

I'm not a vegetable  
I will not control myself  
I spit on the hand that feels me  
I will not control myself

I never wanted any broken bones  
Scarred face, no home  
Your words surround me and I asphyxiate  
And I burn all hate

Everytime you're running out on me  
Everytime you're running I can see

I'm not a vegetable  
I will not control myself  
I spit on the hand that feels me  
I will not control myself

The waters break, the waters run all over me  
The waters break, the waters run  
And this time you're gonna pay

I'm not a vegetable  
I will not control myself  
I spit on the hand that feels me  
I will not control myself..
