

# Radiohead, Worry Wort

You don't wanna talk to me  
You don't wanna say the word  
You're tryin' to get off the hook  
You're tryin' to get off the hook  
Sprawling on a pin  
Hanging off a hook  
You're trying to get yourself away  
Trying to get yourself away  
There's no use dwelling on  
On what might have been  
Just think of all the fun  
You could be having  
We know the way you talk  
We know what you want  
We know what you want  
What you really wanted  
Take a look around  
Theres candles on the cake  
On what might have been  
Roads you should have took  
Mistakes mistaken  
theres no use dwelling on  
no use dwelling on  
Its such a beautiful day  
Its such a beautiful day  
Find yourself another end  
go on and get some rest  
Its such a beautiful day  
Its such a beautiful day  
Go up to the mic  
Go up to the mic  
Go and get some rest.
