Radiohead, Yes I Am

I resent you calling I resent your voice I resent that I don't have a choice

Anywhere I go You are always there Outside the car Or in my hair

I think I've been here before Yes I've been here before The last time you locked All the doors

And I resent you calling
I resent your voice
I resent that I don't have a choice

And yes I am wary Yes I am..

I think I've told you once I think I needed advice You were such a help That's very nice

I think I've been here before Yes I've been here before But this time I kick Down your door

And yes I am wary Yes I am wary
