

Radish, Bedtime

I think it's past our bedtime... let's go to sleep now, yeah.
I think it's past our bedtime... let's go to sleep.
I think it's past our bedtime... let's go to sleep now, yeah.
I think it's past our bedtime... let's go to sleep.

I don't understand the question.
I don't understand the question.

We crush a flower in heaven, violet envy.
We'll waste an hour in heaven, and go to sleep.
My inside is out, and you're winning.
Her children will not know beginning.

I don't understand the question.
I don't understand the question.
the question...
