

Radish, Next Time

Its so sad your not here
Wish you were more sincere
You say mine everytime
Now your mine nevermind.

Chorus:

I'm not gonna cry
I'll be happy next time
I'm not gonna cry
I'll be happy next time
Happy next time.

I'm the toy boat in your tub
Isnt it fun let me sink
Its so sad knowing that I'm in love
With the girl I can kiss using cyber ink.

But I'm not gonna cry
I'll be happy next time
I'm not gonna cry
I'll be happy next time
Happy next time.

If you cared you wouldnt befriend me
If you cared you I guess you would send me
E-mail and let me know you still care.

Is it cool being cool and fine
Knowing that you could have any guy
Knowing that you could kill any guy
Knowing that there is a guy whos gonna hurt you
Twice as bad yeah bad yeah

I'm not gonna cry
I'll be happy next time
I'm not gonna cry
I'll be happy next time
Happy next time

Is it cool being cool and fine
All I want is to make you mine
Yeah.
