

# Radney Foster, Again

Aint it funny the turns life puts you through  
Don't know what's round the bend  
Lord you don't know where it's leading you  
Close your eyes say a prayer  
Take it on the chin it's the  
Darndest thing who comes round again  
Baby I thought that  
Love was over and gone for-  
ever never gonna come back  
To me never gonnahold me again but  
Your love pounds in my heart like  
Thunder flashes through me like  
Lightning making me believe Again  
Don't know what Im supposed to say  
Aint got a clue bout what I need to do  
All I know is what I feel  
Right here right now with you  
Baby I thought that  
Love was over and gone for-  
ever never gonna come back  
To me never gonna hold me again but  
Your love pounds in my heart like  
Thunder flashes through me like  
Lightning making me believe A-
