

# Rage, After The End

We're moving on, to where we don't know  
After the end of eternity  
We'll be gone and nothing will show  
Maybe a name that is carved in stone

God forgive me, for I know what I have done  
It wasn't meant to be so real

Endless nights, so many have passed  
You were the first but not the last  
Still I'm here, condemned to survive  
I can't be dead, can't be alive

After all is said and done  
We have to carry on  
After the end  
And with all that we've been through  
There's nothing left to do  
After the end

After all is said and done  
We have to carry on  
After the end  
And if all of this is true  
There's so much more to do  
After the end

God forgive me, for I know what I have done  
It wasn't meant to be so real
