

Rage Against the Machine, Renegades Of Funk

No matter how hard you try, you can't stop us now
No matter how hard you try, you can't stop us now

We're the renegades of this atomic age
This atomic age of renegades
Renegades of this atomic age
This atomic age of renegades

Since the Prehistoric ages and the days of ancient Greece
Right down through the Middle Ages
Planet earth kept going through changes
And then no renaissance came, and times continued to change
Nothing stayed the same, but there were always renegades
Like Chief Sitting Bull, Tom Paine
Dr. Martin Luther King, Malcom X
They were renegades of their time and age
So many renegades

We're the renegades of funk
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk

From a different solar system many many galaxies away
We are the force of another creation
A new musical revelation
And we're on this musical mission to help the others listen
And groove from land to land singin' electronic chants like
Zulu nation
Revelations
Destroy our nations
Destroy our nations
Destroy our nations
Destroy our nations
Destroy our nations
Destroy our nations

Now renegades are the people with their own philosophies
They change the course of history
Everyday people like you and me
We're the renegades we're the people
With our own philosophies
We change the course of history
Everyday people like you and me
C'mon
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk

Poppin', sockin', rockin' puttin' a side of hip-hop
Because where we're goin' there ain't no stoppin'
Poppin', sockin', puttin' a side of hip-hop
Because where we're goin' there ain't no stoppin'
Poppin', sockin', rockin' puttin' a side of hip-hop
'Cause we're poppin', sockin', rockin' puttin' a side of hip-hop
Poppin', sockin', rockin' puttin' a side of hip-hop

We're the renegades of funk
We're the renegades of funk
We're the renegades of funk
We're the renegades of funk

We're teachers of the funk

And not of empty popping
We're blessed with the force and the sight of electronics
With the bass, and the treble the horns and our vocals
'Cause everytime I pop into the beat we get fresh

There was a time when our music
Was something called the Bay Street beat
People would gather from all around
To get down to the big sound
You had to be a renegade in those days
To take a man to the dance floor

Say jam sucker
Say jam sucker
Say groove sucker
Say groove sucker
Say dance sucker
Say dance sucker
Now move sucker
Now move sucker

We're the renegades of funk
