

# Rage Against the Machine, Renegades Of Funk

No matter how hard you try, you can't stop us now  
No matter how hard you try, you can't stop us now

We're the renegades of this atomic age  
This atomic age of renegades  
Renegades of this atomic age  
This atomic age of renegades

Since the Prehistoric ages and the days of ancient Greece  
Right down through the Middle Ages  
Planet earth kept going through changes  
And then no renaissance came, and times continued to change  
Nothing stayed the same, but there were always renegades  
Like Chief Sitting Bull, Tom Paine  
Dr. Martin Luther King, Malcom X  
They were renegades of their time and age  
So many renegades

We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk

From a different solar system many many galaxies away  
We are the force of another creation  
A new musical revelation  
And we're on this musical mission to help the others listen  
And groove from land to land singin' electronic chants like  
Zulu nation  
Revelations  
Destroy our nations  
Destroy our nations  
Destroy our nations  
Destroy our nations  
Destroy our nations  
Destroy our nations

Now renegades are the people with their own philosophies  
They change the course of history  
Everyday people like you and me  
We're the renegades we're the people  
With our own philosophies  
We change the course of history  
Everyday people like you and me  
C'mon  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk

Poppin', sockin', rockin' puttin' a side of hip-hop  
Because where we're goin' there ain't no stoppin'  
Poppin', sockin', puttin' a side of hip-hop  
Because where we're goin' there ain't no stoppin'  
Poppin', sockin', rockin' puttin' a side of hip-hop  
'Cause we're poppin', sockin', rockin' puttin' a side of hip-hop  
Poppin', sockin', rockin' puttin' a side of hip-hop

We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk

We're teachers of the funk

And not of empty popping  
We're blessed with the force and the sight of electronics  
With the bass, and the treble the horns and our vocals  
'Cause everytime I pop into the beat we get fresh

There was a time when our music  
Was something called the Bay Street beat  
People would gather from all around  
To get down to the big sound  
You had to be a renegade in those days  
To take a man to the dance floor

Say jam sucker  
Say jam sucker  
Say groove sucker  
Say groove sucker  
Say dance sucker  
Say dance sucker  
Now move sucker  
Now move sucker
