Rage Against the Machine, Renegades Of Funk

No matter how hard you try, you can't stop us now No matter how hard you try, you can't stop us now

We're the renegades of this atomic age This atomic age of renegades Renegades of this atomic age This atomic age of renegades

Since the Prehistoric ages and the days of ancient Greece Right down through the Middle Ages Planet earth kept going through changes And then no renaissance came, and times continued to change Nothing stayed the same, but there were always renegades Like Chief Sitting Bull, Tom Paine Dr. Martin Luther King, Malcom X They were renegades of their time and age So many renegades

We're the renegades of funk We're the renegades of funk We're the renegades of funk We're the renegades of funk

From a different solar system many many galaxies away We are the force of another creation

A new musical revelation

And we're on this musical mission to help the others listen And groove from land to land singin' electronic chants like Zulu nation

Revelations

Destroy our nations

Now renegades are the people with their own philosophies
They change the course of history
Everyday people like you and me
We're the renegades we're the people
With our own philosophies
We change the course of history
Everyday people like you and me
C'mon

We're the renegades of funk We're the renegades of funk

We're the renegades of funk

We're the renegades of funk

Poppin', sockin', rockin' puttin' a side of hip-hop Because where we're goin' there ain't no stoppin' Poppin', sockin', puttin' a side of hip-hop Because where we're goin' there ain't no stoppin' Poppin', sockin', rockin' puttin' a side of hip-hop 'Cause we're poppin', sockin', rockin' puttin' a side of hip-hop Poppin', sockin', rockin' puttin' a side of hip-hop

We're the renegades of funk We're the renegades of funk We're the renegades of funk We're the renegades of funk

We're teachers of the funk

And not of empty popping We're blessed with the force and the sight of electronics With the bass, and the treble the horns and our vocals 'Cause everytime I pop into the beat we get fresh

There was a time when our music Was something called the Bay Street beat People would gather from all around To get down to the big sound You had to be a renegade in those days To take a man to the dance floor

Say jam sucker Say jam sucker Say groove sucker Say groove sucker Say dance sucker Say dance sucker Now move sucker Now move sucker [x2]

We're the renegades of funk
