

Rage Against the Machine, Vietnow

Turn on tha radio, nah fuck it turn it off
Fear is your only god on the radio
Nah fuck it, turn it off
Turn it off, turn on tha radio, nah fuck it turn it off
Fear is your only god on the radio
Nah fuck it, your saviour's my guillotine, crosses and kerosene
Merge on tha networks, slangin' nerve gas
Up jump tha boogie then bang, let 'em hang
While tha paraniod try ta stuff tha void
Let's capture this AM mayhem
Undressed, and blessed by tha Lord
Tha power pendulum swings by tha umbilical cord
Shock around tha clock, from noon 'til noon
Men grabbin' they mics, and stuff 'em into tha womb
Terror's tha product ya push
Well I'm a truth addict, oh shit I gotta headrush
Sheep tremble an here come tha votes
Thrown from tha throat, new cages an scapegoats
Undressed and blessed by tha Lord
Tha same devil that ran around Managua wit a sword
Check out tha new style that Ollie found
I tune in wit a bullet ta shut down tha devil sound
Shut down tha devil sound
Tha program of Vietnow
Shut down tha devil sound
Turn on the radio, nah fuck it turn it off
Fear is your only god on the radio
Nah fuck it, turn it off
Turn it off, turn on the radio, nah fuck it turn it off
Fear is your only god on the radio
Nah fuck it, your saviour's my guillotine, crosses and kerosene
Flex tha cerebellum, fire, uh!
Somebody gotta shell 'em
These evil angels lists, hittin' tha AM playlist
Paid ta say this
That one inhuman, illegal, single woman
Tha one wit out a room
The transmissions wippin' our backs
Yeah, comin' down like bats from Stacy Coon
Terror's tha product ya push
Well I'm a truth addict, oh shit I gotta headrush
Tha sheep tremble an here come tha votes
Thrown from tha throat, new cages and scapegoats
One caution tha mics a detonator unwind
Ta shut down tha devil sound
Shut down tha devil sound
Check tha heads bow in vietnow
Shut down tha devil sound
Is all tha world jails and churches?
Is all tha world jails and churches?
Is all tha world jails and churches?
Is all tha world jails and churches?
Is all tha world jails and churches?
Radio, nah fuck it, turn it off
