

Rage Against the Machine, Zapata's Blood

Zapata's blood
Wasn't spilt in vain
So now the most poor wage war
To reclaim their name

Zapata's blood

Wasn't spilt in vain

So now the most poor wage war
To reclaim their terrain

On January 1st , 1994
The indigenous farmers of Southern Mexico
Declared war on an unjust
and illegitimate government

Out of the debt of the most wild, the most poor
Came a just arm struggle
for democracy, justice, and liberty
And it won't stop until that 65 year old dictatorship,
the Partido Revolucionario Institucional
(Institutional Revolutionary Party) is buried in the
ground
and the people's voice is heard once again

Yeah

So check it out:
On January 1st, of 94 they became known as
the Zapatista movement
And they have a saying, and I want you all to
sing along with me real quick.
It goes something like this
It goes everything for everyone...
and nothing for ourselves.
Everything for everyone, and nothing for ourselves.
Everything for everyone, and nothing for ourselves.
Everything for everyone, and nothing for ourselves.
Yeah, sing that shit...
Everything for everyone, and nothing for ourselves.
Everything for everyone, and nothing for ourselves.
Everything for everyone, and nothing for ourselves.
Everything for everyone, and nothing for ourselves...
