

Rage, Solitary Man (Live)

Since a while I thought 'bout leaving here
I can see no way to get it clear
Under you I feel misunderstood
In this respectable neighbourhood

Hey, don't look for me no more
'Cause I won't be coming home

I'm just a solitary man
I'm gonna leave you now alone
Well, I'm a solitary man
I feel so strange here, do you know?

I have heard they're tellin' tales 'bout me
Find me weird and most unusually
Can't you see that I'm just doing my way?
Live it out what you all just pretend

I don't need no company
If I did I'd look for better

I'm just a solitary man
I'm gonna leave you now alone
Well, I'm a solitary man
It may seem strange to you, I know

I don't need this bullshit anymore
I'm stepping out, I'm gonna close the door
Will I ever reach the point of it
When I wear a suit that does not fit?

I'm just a solitary man...
