

# Rage, Wake Me When I'm Dead

Will you wake me?  
Wake me when I'm dead

I think it's time now, I gotta go  
but don't you shed a tear when I'm gone.  
Before it's over,  
I hope that I don't suffer too much, when it's over

I don't want to miss this place  
I hate to leave, I just can't face  
realities of death, I will deny  
realities of death, I will deny

Will you wake me?  
Wake me when I'm dead

And when I grow cold you gotta put a spell on me,  
before I grow cold  
Just one injection and maybe I can stay on your side  
if the shot works

I don't want to miss your face  
the warmth of summer  
springtime's grace  
realities of death, I will deny  
realities of death, I will deny

Will you wake me?  
Wake me when I'm dead
