

# Raging Speedhorn, Random Acts Of Violence

Falling under  
You feel no pain  
Seeing black  
You know the hate  
Losing grace  
But no one cries  
Venomous trap  
This pain of mine

Deprived devotion  
You feel no pain  
Spine in fits  
You know the hate  
Taking shape  
But no one cries  
No escape  
This pain of mine

Feel emotion  
Is this your potion?  
Destroying everyone's motion - and you  
See your own fears  
See your own truth  
Discover everyone lies (x2)

Sound relief  
You feel no pain  
Years of peace  
You know the hate  
Hate of you  
But no one cries  
You make me spew  
This pain of mine

Falling under  
Never hate another but you  
Seeing black  
You've aimed to drop me before now  
Losing grace  
You've tried before but failed  
Venomous trap  
I can't cry

CHORUS (x2)
