I'm from the South

I'm a Southern Girl

Home of the burning church

Don't know much about the world

Home of the pocket stones

Home of the booty songs

Home of the finger wave that lasts

All night long

Home of the On & On

Home of the dominoes

Home of the two piece and the cat fight

Home of the teeth that's gold

Home of the never miss

Home of the platinum hits

I'm a Southern Girl (Southern Girl)

Countryfied

Everything I eat is fried

Gotta Southern drawl

I'm so country y'all

Well that's way down South

Yeah it's way down low

Check my Southern fried style

And my Southern flow

Don't know about the radio (mm-hmm)

Don't know about the television

all I know is bout my flow

My kinfolk sent me out

to make money for the house

Hooked up with my boy Rahzel

I sure hope the record sell

(Southern Girl)

Southern Girl, and I'll rock your world

Fly as a bumble bee (buzz)
