

Rain, 16 Hands (All Dumbasses Will Vanish)

You want to be my servant?
You'll do just what you're told?
How's this for a suggestion
Hit the road
You want to do my bidding?
You only aim to please?
I've had enough of pleasure
Leave me be
You want to know my secrets?
You want to lend an ear?
It isn't gonna happen
Disappear
You want to make me happy?
You want to make my day?
Well do me just one favor
Go away
Okay?
