Rainbow, Hammer To Fall

Yeah
Here we stand or here we fall
History won't care at all
Make the bed, light the light
Lady mercy won't be home tonight

Yeah, you don't waste no time at all Don't hear the bell but you answer the call It comes to you as to us all Hey, we're just waiting For the hammer to fall - yeah

Oh every night, and every day A little piece of you is falling away But lift your face, the western way, baby Build your muscles as your body decays

Yeah, toe your line and play their game Yeah, let the anaesthetic cover it all Till one day they call your name You know it's time for the hammer to fall - yeah

Rich or poor or famous for Your truth it's all the same - oh no - oh no Oh lock your door but rain is pouring Through your window pane - oh no - yeah Baby now your struggle's all vain

Oooh oooh oooh oooh

For we who grew up tall and proud In the shadow of the mushroom cloud Convinced our voices can't be heard We just wanna scream it louder and louder

What the hell we fighting for ?
Ah, just surrender and it won't hurt at all
You just got time to say your prayers
Eh, while you're waiting for the hammer to hammer to fall
Hey, yes, it's starting to fall eh, hammer, you know
Yeah, hammer to fall, wooh, ah, hey, eh woowoo, ha eh hammer
Waiting for the hammer to fall baby
Yeah yeah while you're waiting for the hammer to fall
Give it to me one more time.
