

Rainbow, Medley: Man On The Silver Mountain/B

[Man On The Silver Mountain]

I'm a wheel, a wheel
I can roll, I can feel
And you can't stop me turning
I'm the sun, I'm the sun
I move, I can run
You'll never stop me burning

Get down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again
I'm the man on the silver mountain
I'm the man on the silver mountain

I'm the day, the day
I show you the way
And look I'm right beside you
I'm the night, the night
The dark and the light
With eyes that see inside you

Get down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again
I'm the man on the silver mountain
The man on the silver mountain

Get down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again
I'm the man on the silver mountain
The man on the silver mountain

Get down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again
I'm the man on the silver mountain
The man on the silver mountain

I'll help you, you know I can,
I'm the man
I'm the man with the silver mountain
The man on the silver mountain
I'm coming down with fire
I'll lift your spirit higher
I'm the man on the mountain
The man on the silver mountain

[Blues/Starstruck]

If I'm high on a hill
She will still be looking down at me
What does she see
That brings her closer every day to my heart
If I'm away from home
And think I'm all alone
She's there, somewhere
I look around to see
And looking back at me

She's there, beware
Creeping like a hungry cat
Seen it before
And I know it can mean that

The lady's starstruck she's nothing but bad luck
The lady's starstruck running after me
The lady's starstruck she's nothing but bad luck, Oh

[Blues]

Do you want some love?
Do you want some love?
We're here all to give you love!
It chains from above
You're the men
We're the men
Come to show you the way, maybe today
'Cause you're the men
You are the men
You're the men
You're the men
You're the men
You're the men
You're all the man

You're the man on the mountain
The man on the silver mountain
You get down with fire
Lift your spirit higher
I'm the man on the mountain
The man on the silver mountain
