## Rainbow, Rainbow Eyes

She's been gone since yesterday Oh I didn't care Never cared for yesterdays Fancies in the air

No sighs or mysteries She lay golden in the sun No broken harmonies But I've lost my way She had rainbow eyes Rainbow eyes Rainbow eyes

Love should be a simple blend A whispering on the shore No clever words you can't defend They lead to never more

No sighs or mysteries She lay golden in the sun No broken harmonies But I've lost my way She had rainbow eyes Rainbow eyes Rainbow eyes

Summer nights are colder now They've taken down the fair And all the lights have died somehow Or were they ever there

No sighs or mysteries She lay golden in the sun No broken harmonies But I've lost my way She had rainbow eyes

Uuuuh, uuh
