

Rainbow, Self Portrait

Paint me a picture and hang it on your wall
Color it dark where the lines must start to crawl
Down, down, down
Spin me around and around
Draw me away to the night from the day
Leave not a trace to be found
Down, down
Nothing is real but the way that I feel
And I feel like going down, down, down, down,
Down, down, down, down, down.

Paint me a picture of eyes that never see,
With flashes of light that will burn for only me
Hey, hey, hey, there's only the devil to pay
I'm ready to go pull me down from below
Give me a place I can lay
Hey, hey.

Nothing is real but the way that I feel
And I feel like going down, down, down, down,
Down, down, down, down!
