

Rainbow, Still I'm Sad

Version 1 (From "Ritchie Blackmore's Rainbow")

{{Instrumental}}

Version 2 (From "On Stage")

See the stars come falling down from the sky,
Gently passing, they kiss your tears if you cry.
See the wind come softly blow
Your hair from your face,
And the rain comes falling down
In its crazy ways

Still I'm sad,
Still I'm sad.

For myself my tears just fall in the dust
They will drive every night will find they're lost
See the wind come softly blow
Time into my heart
And the rain comes falling down
While we're apart

Still I'm sad,
Still I'm sad.

See the stars come falling down from the sky,
Gently passing, they kiss your tears if you cry.
See the wind come softly blow
Your hair from your face,
And the rain comes falling down
In its crazy ways

Ooh ooh ooh ooh

I'm so sad,
I'm so sad.

But still I'm sad.
Feeling so sad
Feeling so bad
You're making me sad
Making me bad
Ooh ooh ooh ooh ooh, I'm sad.

Version 3 (From "Stranger in Us All")

{{SOTD|date=July 28, 2008}}

See the stars come fallin' down from the sky
Gently passing, they kiss your tear drops dry
See the wind come, softly blow
Your hair from your face
And the rain comes falling down
In its crazy way
Still I'm sad

For myself my tears just fall in the dust
As I search in the night and find they're lost
See the wind come gently blow
Time into my heart
And the rain comes falling down
While we're apart
Still I'm sad
Still I'm sad

See the stars come fallin' down from the sky
Gently passing, they kiss your tear drops goodbye
See the wind come, softly blow
Your hair from your face
And the rain will come falling down
In its crazy way
Oh, oh, oh
Still I'm sad
Still I'm sad
