

Rainer Maria, Alchemy

you've gone
missing
you've gone
missing

i don't remember
i don't remember

you've gone
missing
you've gone
missing

your face
the way
your heart was broken remarkably
in the most important place

i don't remember
i don't remember

your mouth
the way
your heart was broken remarkably
in the most important place

they made you
for silver
and you were worth gold
[3x]

you've gone
missing
you've gone
missing

your taste
the way
your heart was broken remarkably
in the most important place
